

recognition & awards

human energy award for creating measurable value

Dave Arthur Amiana

Kudos to Dave for consistently going above and beyond! As a recent graduate, he has demonstrated remarkable maturity and capability, taking ownership of complex initiatives like modernizing the NextPage-Dash library and enhancing the az-appgateway role. His commitment to improving workflows and stepping up to support senior engineers reflects his dedication to team success. Dave's confidence and efficiency in handling challenging tasks have been invaluable in helping the PL team achieve its goal
