human energy award for creating measurable value

Dave Arthur Amiana

Vince, Eric, Dave I would like to thank you all for your efforts as they were invaluable in helping the team (ITFP - A&PES - WebApps/App Stack) meet deadlines and goals. Let's keep pushing! Thank you for stepping outside your comfort-zone and taking user stories that will grow you both professionally and technically. Please continue the momentum and looking forward to what we can achieve together next year!
